# Schirmer's Iris Gardens

H. W. SCHIRMER, D. V. M.

5701 SOUTH SECOND STREET

ST. JOSEPH, MISSOURI

## 1949 PRICE LIST

After many years of Iris as a hobby we come to a turning point where we must commercialize on a small scale in order to keep buying the newer and lovelier Iris which are being introduced each year in such large numbers.

As most of you know, we have been Hybridizing for almost 20 years, and have some very nice Iris which we have originated. This year we will introduce several of them.

We are situated in the northwestern part of Missouri. Our garden is mostly on the side of a hill where we really have the best drainage possible.

Visit our Iris garden this spring and see what beautiful Iris can be grown here in the Midwest.

Terms: Cash with order please. Draft, Check or Money Order.

Postage prepaid on all orders of \$3.00 or more, for orders of less amount add 25c. Residents of Missouri please include 2% sales tax on all orders.

### JOIN THE AMERICAN IRIS SOCIETY

If you are not a member of the A. I. S. and will include your application to the Society with a check for \$5.00, we will send you \$5.00 worth of Iris, your choice from our list. We will then send in your application to the Secretary together with \$3.50 of the \$5.00 you have sent us.

This is only for those who are not members of the A. I. S.
